SUBJECT: CDBG Allocations for ADA Projects in Council District One

---

Over the past four months, my staff and I met with the staff of the City's Disability Services Department to assess the infrastructure needs in Council District One to comply with the Americans with Disabilities Act ("ADA")

Listed below are details of my CDBG allocations for FY 2008 for ADA related projects in Council District One.

- 1) City of San Diego - Disability Services  
\$110,000 allocation for installation of audible pedestrian signals at the following intersections in Council District One:
  - Pearl and Girard
  - La Jolla Village and Towne Center
  - Nobel and Regents
  - Gilman Dr and Villa La Jolla
  - Villa La Jolla and Nobel
  - La Jolla Village and Lebon
  - La Jolla Village and Towne Center
  - Nobel and University Center Lane
- 2) City of San Diego – Disability Services  
\$100,000 allocation for installation of curb ramps in Council District One. I respectfully request that my allocation be included in the City's contract for curb ramp installation in FY 2008.
- 3) San Diego – Imperial Counties Labor Council  
\$50,000 allocation for installation of curb ramps in Council District One as part of the Safe and Accessible Sidewalks program.

- 4) City of San Diego – Public Library  
\$15,000 allocation for installation of a power assisted operator for front doors at the University City Community Branch Library.
- 5) City of San Diego – Park and Recreation Department  
\$75,000 allocation for ADA improvements at the Cliffridge Park Comfort Station and \$28,000 for parking lot ADA improvements at Cliffridge Park in La Jolla.
- 6) City of San Diego – Park and Recreation Department  
\$6,000 allocation for ADA gate access project at Birdrock Elementary School at the joint use park facility.
- 7) City of San Diego – Park and Recreation Department  
\$19,000 allocation for parking lot ADA improvements at University Gardens Park in University City community.
- 8) City of San Diego – Traffic Engineering  
\$10,100 allocation for traffic signal modification at the intersection of Geneessee Avenue and Scripps Memorial Hospital (UCSD) Entrance.
- 9) La Jolla Sunrise Rotary  
\$25,000 for ADA improvements in the La Jolla Fire Station 13 renovation project.

I am pleased to join you in your desire to use the City's CDBG funds to fund the City's infrastructure needs for ADA compliance. It is my hope that the \$438,100 in allocations listed above will improve the lives of the disabled community in Council District One.

Thank you for your assistance.
